PLA TRIO WILL OPEN AT LIBERTY

SIGNOR PLA, OF THE PLA TRIO AT YE LIBERTY THEATER

Another new act, and, as usual, claimed by the Liberty theater's press agent as "being the best in their respective line to ever appear here," etc., is billed for first local appearance tonight at the Liberty. This new act is the Pla Trio, an aggregation composed of one man and two ladies, and that much can be expected from this trio is evident from the fact that Signor Pla is referred to as "the Caruso of vaudeville," while the ladies are both solo singers, and the act is said by those who have heard them, to equal any singing act known to the variety stage.

Another feature of tonight's change of bill will be the first change of act by Marta Golden, the smiling comedienne, that made an instant hit on her first appearance last Thursday. Miss Golden is doubtless the best comedienne seen here for many a day, and her change tonight will be watched with interest.

The management lay particular stress on the class of moving pictures to be shown tonight, claiming them to be as good as any program of pictures ever shown at the Liberty.

BIJOU THEATER DELIGHTS ALL

About the biggest vaudeville surprise sprung on an all unsuspecting public was turned loose when the Bijou theater re-opened Saturday night and introduced a musical trio billed "The Three Musketeers of Musical Comedy." Their act is simply great and a revelation in comedy, music and singing.

Miss Florence Raymond, with a delightful English drawl, is a ventriloquist of more than ordinary ability and presents her act in a rather pleasing change from the usual stereotyped "bad boy" dummy, and these acts with particularly bright and interesting pictures, made a very acceptable program for the Bijou's reopening.

Unless the supervisors can give the engineer's department more help, it will be impossible this term to carry out the policy of enforcing the sidewalk ordinance in the area within a radius of one mile from the postoffice, according to a report of the health committee.

"Pape's Diapepsin" Ends Indigestion, Gas, Sourness in Five Minutes

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment Diapepsin comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost miraculous, and the joy is its harmlessness.

A large fifty-cent can of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back. It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach. During this day or night, it's the only safe, sure and most harmless stomach doctor in the world.
